Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for M-46 and M-19 Reconstruction in the surface transportation reauthorization legislation.

The project sponsor for this project is Michigan Department of Transportation and the project is located at M-46 and M-19, Elmer Township, MI 48471

The funding is designated for road rehabilitation and asphalt reconstruction.

The project is an appropriate use of taxpayer dollars and would have many benefits to the community. This is a road rehabilitation and reconstruction project on a Michigan state route that will improve the safety of the Michigan transportation network.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Lisa C. McClain".
